

# MAKE A P.A.C.T. WITH YOUR TYRES

Maximise your enjoyment, performance and safety when riding by making a **PACT** with your tyres.

**PERFORMANCE** including grip, handling and fuel economy will all be improved with the correct tyre care. Make sure that:-

**AIR PRESSURE** is checked weekly

**CONDITION** is critical to road safety.

Inspect tyres for any cuts, bulges, uneven wear or objects embedded in the tread

**TREAD DEPTH** is not below the legal minimum
